

# ETHAN THOMAS

Engineering student | Fluid mechanics, energy & environmental engineering

## CONTACT

-  ethan31150@gmail.com
-  +33 7 68 05 44 77
-  Toulouse, France
-  linkedin.com/in/ethan-thomas-59a9aa32a

## SKILLS

Fluid mechanics; Thermodynamics; CFD; Python; MATLAB; Fortran; AutoCAD; Simulink; AMESim; Ansys Fluent.

## LANGUAGES

French native; English B2; Spanish B1; Chinese beginner.

## CERTIFICATIONS

PSC1 first aid;  
Category B driving licence.

## INTERESTS

Science; cinema; boxing;  
cultural exploration.

## PROFILE

Engineering student specialising in fluid mechanics, energy and environmental engineering, with experience in CFD simulation and liquid cooling for electronics.

## TARGET

Future final-year engineering internship in CFD, fluid mechanics and thermal engineering.

## EXPERIENCE

-  09/2026–06/2027 **UniSCool, Lleida, Spain**  
**CFD Engineer (FTC)**
  - Innovation project in direct-to-chip liquid cooling for electronics; CFD simulations to optimise the prototype and product.
-  06/2025–07/2025 **Malet Sud / Spie Batignolles**  
**Site Labourer**
  - Manual tasks and on-site operations as part of a construction crew.
-  07/2024–08/2024 **EGIS, Muret**  
**Intern**
  - AutoCAD plans for dry utility networks and urban lighting; construction monitoring, cost tracking and operational problem solving.
-  07/2022–08/2022 **SMTP**  
**Site Labourer**
  - Manual tasks and on-site operations.

## EDUCATION

- 2024–present ENSEEIHT / INP Toulouse, MF2E department
- 2022–2024 Prépa des INP Toulouse, honours (Mention Très Bien)
- 2019–2022 French scientific Baccalauréat, honours (Mention Très Bien)

## INTERNATIONAL

- 2026 University exchange, Universidad de los Andes, Bogotá, Colombia.

## LEADERSHIP

- 2022–2023 Vice-President, BDE student union, Prépa des INP Toulouse
  - Events, teams, partners.
